

30 St Mary Axe

Project Profile

filzfelt •

30 St Mary Axe

Specifier	Basha-Franklin
Location	London UK
Products	Circle Hanging Panels Hanging Panel Track System
Felt Color	274 Senf
Photographer	Tony MacLean

In the iconic 'Gherkin' building in London's financial district, Circle Hanging Panels help define space, provide sun shading, plus add needed privacy with the building's unique floor plates and expansive windows. The Hanging Panels in a soft heathered yellow add a pop of color to the subtle palette while providing flexible space delineation with the use of the Hanging Panel Track System.
